

BUCKS COUNTY TAX COLLECTION COMMITTEE

RESOLUTION NO. 2016-03

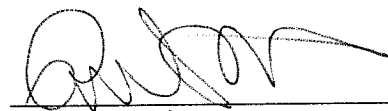

WHEREAS, on November 4, 2016, Governor Wolf issued a veto of House Bill 245, which would have clarified certain crediting provisions affecting Pennsylvania residents working out-of-state and paying local earned income tax; the Governor explained his veto in an open letter to the Legislature by describing the Commonwealth's policy to only allow out-of-state credits against the base rate of Local Earned Income Tax under Act 32 of 2008; and

WHEREAS, the Department of Community and Economic Development (DCED) thereafter advised Pennsylvania's tax officers to follow Governor Wolf's statement on application of the crediting provisions under Act 32 going forward, whereby taxing jurisdictions should now allow out-of-state tax credits only against the base rate of Local Earned Income Tax.

IT IS NOW RESOLVED, by the Board of Delegates of the Bucks County TCC that the Resolution 2016-01 adopted May 31, 2016 regarding crediting practices is accordingly rescinded, and the Tax Officer is directed to follow the crediting provisions going forward as directed by the Commonwealth.

RESOLVED and **ORDAINED** into law this 29th day of November, 2016

Secretary

President CHAIRMAN (SEAL)
